Dated Bangalore, July 1879.

Sir,

I am directed by the Chief Commissioner to forward for the sanction of the Government of India a Proposition Statement for increasing the strength of the permanent Jail guard of the Central Jail at Bangalore by 2 Duffedars and 30 peons whose pay amounts to Rupees 210 per mensem.

2. The proposal is made, I am to state, in accordance with the opinion expressed and recorded at page 116 of the report of the Jail Conference 1877, which received the assent of Government in Resolutions Nos 534 and 10/535-545 dated 30th April 1878

1878 para 6 and I am directed to explain
for the information of the Government
that there is always maintained in
the Central Jail a Contingent guard
for guarding extra mural laborers,
of whom it is found by experience,
that the strength by which it is now pro-
posed to increase the permanent warder
establishment is constantly maintained.
To convert this number of "Contingent
guard" into permanent establishment
does not therefore entail immediate
extra expenditure, but by bringing
the men on to the permanent staff, they
will be placed in a more favorable
position and be able to serve for pensions
and gratuities, a circumstance which
will enable the Superintendent of the
Jail to secure the services of a superior
and more trustworthy set of men.

I have the honor to forward copy of a Statement received from the Deputy Commissioner of Kolar shewing the present and proposed establishment for the Kolar Jail.

2. The present scale of strength proposed includes so many of the contingent Guard as it will always be necessary to retain in accordance with the recommendation of the Jail Conference (vide page 116 para 6 of their report) and the opportunity has been taken to introduce two grades of warders so as to give scope for promotion and encourage good behaviour.

3. The average No. of prisoners confined in the Jail for the 3 years preceding the famine was 96, and the lowest No. which must have been quite exceptional 48. I therefore think that 12 peons will not be excessive.

4 At present there are 6 peons

drawing

drawing 7 Rupees, whereas for the future there will be only 4. The pay of the present incumbents should not be reduced but the vacancies in the higher grade as they occur not filled up.

5. The increase in the proposed scale of Establishment is only nominal. At present there are 14 contingent peons in addition to the 6 permanent. For the future, contingent Guards will only be employed when there are not sufficient peons to supply the required guards, i.e. 1 to every 15 prisoners employed on indoor labor and 1 to every 5 prisoners on out door labor.

Sir,

In continuation of my letter No. 1715/200 dated 4th August last, I have the honor to forward in original letter No. 248 of the 13th instant, from the Commissioner of the Nagar Division and a Statement shewing the present and proposed strength of the Military and Warder establishment of the Shimoga Jail.

2. The arrangements regarding the Military Guards have been settled by the Military Assistant in communication with the Civil Officers, and no further orders in the matter are necessary. As regards the Warders &c

establishment I agree with the District Judge in assuming the normal population of the Jail to be 350, and fixing the permanent warder establishment at 45. A Contingent establishment may be entertained as occasion requires. When the strength of the prisoners so far exceeds the normal strength as to require additional guards at the rate or divisity observed. viz 1 peon to every 15 in-door and 1 to every 5 out-door prisoners.

3. The proposal of Colonel Clarke to have 25 of the permanent establishment rated as 1st Class peons on Rupees 7, and 20 as 2d Class peons on Rupees 6 per mensem, is approved by me, as the arrangement will give a scope for promotion and encourage good behaviour.

Nagar Division

To
The Judicial Commissioner
of Mysore.

Sir,

I have the honor to submit the accompanying Tabular statement showing the present and proposed Establishment of the Shimoga Jail, called for in para 5 of your letter No. 1689/182 of 2nd. Ultimo, and also a statement received from the Superintendent of the Jail showing the average and the lowest number of prisoners confined in the Jail during the 3 years preceding the famine; as requested in para 6 thereof -

2. In determining the strength of the permanent Warder Establishment, I have assumed the normal

as 1st. Class on Rs. 7, and 20 as 2nd Class on Rs 6 salary. The present perma-
nent establishment consists of 25 men on Rs. 7, so that no reduction in salary will be involved.

No. of prisoners to be 350, as suggested by you in a former letter - The statistics now furnished show that the average for the 3 years preceding the famine was 411, and that the lowest No. reached was 341 - Dr. Benson concurs in this estimate -

3. According to the prescribed scale for jail guards, 200 indoor, and 150 out-door prisoners will require 13⅓ and 30 warders respectively or 43⅓ in all - Making allowance for sick absentees, I propose to fix the strength of the permanent warder establishment at 45, of which 25 may be rated as 1st class on Rs 7, and 20 as 2nd class on Rs 6 salary - The present permanent establishment consists of 25 men on Rs 7, so that no reduction in salary will be involved -

4. The Contingent establishment which at present consists of 45 men will be reduced to 10. but this No. will necessarily vary with the fluctuations in the Jail population above the normal No. of 350.

5. The financial results of this Revision will stand as follows:—

	Present Establishment	No.	Cost Rs.	Proposed Establishment	No.	Cost Rs.
Warder Establishment	Officers	3	38	Officers	3	40
	Men	25	175	Men	45	295

Contingent Establishment	Officers	3	24	Officers	0	0
	Men	45	270	Men	10	60
		Rs.	294	Grand Total Rs.		395
Grand Total Rs.			507			

Saving Rs. 112 per mensem. irrespective of the Military Guard.

6. A similar statement for the Jails at Chinnagalur and Chitaldroog will be submitted on receipt of the Deputy Commissioners' reports.

Communicating the sanction of the Government of India to the increase to the permanent Establishments of certain Jails in the province.

Proceedings of the Chief Commissioner of Mysore in the General Department, (Judicial),—dated 3rd February 1880.

From the Secretary to the Chief Commissioner of Mysore, General Department, To the Secretary to the Government of India, Foreign Department, No. 6297—G. 112, dated Camp Malebennur, 2nd December 1879.

I am directed by the Chief Commissioner to submit for the sanction of His Excellency the Viceroy and Governor General in Council, a proposition statement for increasing the permanent Warder Establishment of the Central Jail at Bangalore, and of the District Jails at Kolar, Shimoga and Chikmagalur.

The proposal is made, I am to state, in accordance with the opinion expressed and recorded at page 116 of the Report of the Jail Conference, 1879, which received the assent of Government in Resolution No. 534 and 10—535-545, dated 30th April 1878, para 6, and I am directed to explain for the information of Government that there is always maintained in the Jails above named a contingent guard for guarding extramural laborers of whom, it is found by experience, the strength by which it is now proposed to increase the permanent Warder Establishments is constantly maintained. To convert this number of 'contingent guard' into permanent establishment does not therefore entail immediate extra expenditure, but by bringing the men on to the permanent staff they will be placed in a more favorable position and be able to serve for pensions and gratuities, a circumstance which will enable the Superintendents of Jails to secure the services of a superior and more trustworthy set of men.

Statement of Proposition for revision of Establishment in the Bangalore Central Jail and in the District Jails of Kolar, Shimoga and Kadur.
